**Specialist unit for women
(and children) in emergency situations**

Emergency call: 06641 977-2440

We are at your service

.... if you suffer from violence or if you are threatened by violence - violence by your husband, your partner, a friend or a stranger; physical, psychological or sexualised violence.

Violence has many faces. As different as your personal experiences are, can also be your need for help; from "just talking" to the protection in a home for maltreated women. If you need help we are at your service.

The specialist unit of the Vogelsberg district....

- supports women after attempted or completed rape, sexual harassment, physical, verbal or written threats, telephone harassment, bodily harm, trafficking of women or racial discrimination.
- Provides advisory support and active assistance for psychological and physical maltreated as well as for economically and/or socially disadvantaged women.
- is opened for women with any cultural, ethnic and social background, independent of the residency status, regardless of the age.
- lets women always make their own decisions about what they like to talk about, what they like to do and how they like to be supported.
- is available round the clock.

What we are doing....

- clarification of the personal situation
- individual psychosocial counselling sessions
- consultation and providing contact to other useful information centres
- crisis intervention
- assistance and help with application forms
- information on legal and financial questions concerning separation and divorce.
- helping to find doctors, lawyers and therapists
- support in finding an apartment or a flat
- consulting service to the Act on Protection against Violence
- assistance after a police intervention
- temporary accommodation in a protected space
